

POS Linker is now on Linux!

Say good-bye to viruses, malware, rebooting, and blue screen of deaths!

No more constant upgrades, license renewals, antivirus, and backup software that locks you into renewal fees!

Here is THE alternative to the big business corporate world that doesn't want you to know there are alternatives!

POS Linker is a powerful Outdoor Power Equipment software suite now running on one of the world's most reliable operating system platforms!

Mature Product—In use since 1985

Powerful Tools to run your business

Inventory—Whole Goods—Service Order Management

Includes

Office Suite

Email Client

Web Browser

The only fees after initial setup and installation are for manufacturers' price list updates and support. Either are optional and very competitive!
